

Privacy Policy for EasyVoc

This Privacy Policy applies to the "EasyVoc" application ("Application" or "Service") and outlines how the Application developer ("Operator", "we", "us" or "our") collects, uses, stores, and processes the personal information of our users ("you" or "your").

Personal Information Collection

The only personal information that we collect is your name and email address and the hardware ID of the device you use to access the Application. We collect this information in order to provide you with a personalized experience while using the Application and to communicate with you.

Use of Personal Information

The personal information that we collect is used to improve the quality of our Services and to better understand our users' needs. We may use your email address to send you notifications about updates to the Application or to send you promotional messages.

Data Storage

We take the security of your personal information very seriously and store it securely on our servers. We have implemented technical and organizational measures to protect your personal information from unauthorized access, alteration, disclosure, or destruction.

Disclosure of Personal Information

We will not sell, rent, or share your personal information with any third party, unless required by law.

Your Rights

You have the right to access, correct, or delete your personal information at any time. If you would like to exercise this right, please contact us at easyvoc.app@gmail.com.

Changes to Privacy Policy

We may update this Privacy Policy from time to time to reflect changes to our practices or for other operational, legal, or regulatory reasons. We will post any changes to this Privacy Policy on this page and will notify you by email or through the Application if the changes are significant. Your continued use of the Application after any changes to this Privacy Policy will indicate your acceptance of the revised Privacy Policy.

Contact Us

If you have any questions about this Privacy Policy, please contact us at easyvoc.app@gmail.com.
